

Our Learning Goals:

Date: September 28th, 2015

Art– Line design

Math–place value, comparing and ordering numbers

Writing: Prerequisite Practice– Sentence Structure/

Parts of Paragraph– Strong Leads/Topic Sentence, Nouns/Pronouns, Verb/Verb Tenses, choosing more interesting adjectives and descriptive phrasing

Recount Writing– **Editing and Publishing**–1st assignment– How I Spent My Summer (Maybe?)– students had the choice to write a non-fictional or fictional recount

Students will be editing more examples from our Performance Wall and will start their second Recount writing on a topic of their choice (We will brainstorm titles in class).

Reading– Fix up strategies for pronunciation and comprehension, “Reading chats”

Science– Properties of Air- takes up space, Bernoulli Principle, air pressure continued

Religion and Family Life: Pope Francis in the U.S.- message of peace and responsibility. Catholic Graduate Expectation this week: I am a team player with a focus on, “I co-operate with others in all that I do.” What is a team player?
