

May 25th, 2021

Dear Parents,

I hope everyone had a great Victoria Day weekend and enjoyed the extra day of beautiful weather.

Last week, we enjoyed our separate visits from Cathy Koss, Youth Coordinator Minister and Father Jonathan from Holy Trinity Parish, as well as a performance by Alex Theatre called "Th'owxiya: The Hungry Feast Dish". A huge thank you to MASC Theatre, and Mrs. Mazzarello and Ms. Trines from our Board for this amazing opportunity. We also investigated Scratch with Ms. Terry and Minecraft Education with assistance from our amazing C. and Mrs. Potter from our LT Dept. More on Minecraft to come...

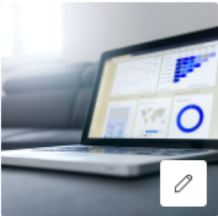

Actually, each week we plan to have more exciting opportunities like the ones above. This Friday, we invite Ms. Laura White, a Chartered Professional Account to lead a workshop on Budgeting and Expenses. Talk about putting our math to work in real life!

Our Schedule:

Morning Classes:

9:15-10:15, 10:30- 11:30-online class 11:30-12:00 conferences- student drop by

Workspaces:

April-May Math

These next two weeks we will be working on the following:

Math:

- ☐ Conferences- Review -comparing fractions and Mixed Numbers- Least Common Denominator/Equivalent Fractions
- ☐ Conferences- Adding and Subtracting Fractions and Mixed Numbers- LCD
- ☐ Multiply & Divide Fractions
- ☐ see and use the Relationship between fractions/decimals/Percentages and apply them in real life- such as money

In Language:

- ☐ Continue to dig deeper in applying reading strategies to our reading comprehension activities.
- ☐ Write at least a five paragraph explanatory essay on a topic of their choice (many suggestions offered)- Sloppy/Peer & Self- edit/Revisions
- ☐ Complete Grammar Multiple Choice Review

Afternoon classes:

All days except Thurs- French then with me 2:30-3:30- online class 3:00-3:45- student conferences

Thurs. 1:00-2:00 2:15-3:15-online classes, 3:15-3:45 student drop by conferences

Workspaces:

Space

Grade 6 Science Curriculum with special emphasis on the Perseverance Rover.

Modified: Feb 25

Students completed and presented a research project on a planet of their choice. The next two weeks we will wrap up our space investigations by "becoming an astronaut" on board the I.S.S.

We will also continue our study as per the grade 6 Music and Health curriculums..

Morning and afternoon students are encouraged to finish their cards each week (third column- entitled "Evidence")

I hope this update finds you all well. Please do not hesitate to contact me should you have any questions and know I encourage your child to conference with me to seek clarification, review concepts and, of course, chat.

Partners in Education,

D. Lewis
