Dear Parents,

The 5th year of our St. James Running Club has been another total success! The children have been training since October and have truly made personal gains in their endurance and running form. We are extremely proud of them all.

Thank you for letting us know your child is registered. The race kits will be picked up this week and distributed at school on Friday May 26th. We will be there on Sunday to cheer on the runners but parents are responsible for dropping off and picking up children. As well, all runners must be registered to participate in the race. This year one educator is permitted to run with the students, so Mrs. Lewis is pretty excited about this opportunity.

We would like to meet on the steps of City Hall facing Laurier Street West at 7:20 a.m. to take a group photo if possible.

Thank you again for your early morning drop offs and support as we trained this year. We would like to send out a special thank you to all our parent volunteers for coming out to run with us throughout the year.

Attached are some important information about the bibs and road closures on that day.

Should you have any questions or concerns please do not hesitate to contact us at 613-599-6600.

For the love of running,

D. Lewis and N. Riddiford
